

Denbigh High School 50th Anniversary Engraved Brick Campaign

Denbigh High School is FIFTY!

To commemorate our first fifty years and to kick off the next fifty years, Denbigh High is kicking off a brick campaign beautification project. The new landscaping feature will serve as a connection between our auditorium and gymnasium entrances on the student parking lot side of the building. This will create a much more inviting environment for our guests to DHS.

The Engraved Brick Campaign provides an opportunity for Denbigh High School friends, alumni, and community supporters to participate in this exciting beautification project!

GO PATRIOTS!
