Dear Patriots

Parent Teacher Student Association membership is important. When parents, the school, and the community work together, children win. The Virginia PTSA mission statement is *"to make every child's potential a reality by engaging and empowering families and communities to advocate for all children"* Parents are a schools number one ally in maximizing the potential of every child. The number of caring adults in a child's life is directly related to maximizing their potential. By joining the PTSA you become a part of the team that puts children first each and every day by supporting all children, the school, and the work of teachers.

Over the past two years membership of the PTSA at Denbigh High School has steadily increased. Just last year we were recognized for having the second largest gain in membership across the school division. However, we are not out of the woods yet. A tremendous amount of work still needs to be done to support our students and the work of teachers. Your membership in the PTSA will go a long way in supporting this work.

PTSA membership gives life to the commitment to empower families and advocate for all children. As faculty membership in the PTSA is approaching 100 percent, I encourage both parents and families to join. To make it easier for our families to join, the form is now available on the Denbigh High School webpage. Simply print out and complete the form. You may drop the form with payment at the Denbigh front office.

The upcoming school year is full of promise for children, their parents, and staff members. Through hundreds of conversations with parents, students, and staff, the commitment to maximizing the success of all children comes through loud and clear. To that end, I challenge you to maximize that commitment by joining the PTSA.

Since opening its doors, Denbigh High School has enjoyed the support of this great community. It is truly a pleasure to be the Principal of this great school. Through our work together, I am confident that PTSA membership will increase. Should you have any questions, please feel welcomed to contact my office at (757) 886-7700

I wish you a wonderful school year,

Sincerely,

Anthony Vladu
Denbigh High School Principal
